

SUMS UP

GAME BASICS

SUMS UP is a quick, exciting optional side wager for blackjack. Players win if the last digit of their first two-card total equals the value of the dealer's original upcard. Payouts are resolved independently from the blackjack result.

HOW TO WIN	
1 BET	Place SUMS UP wager before the deal.
2 SUM	Add the player's first two cards.
3 MATCH	Does the sum's last digit equal the value of the dealer's upcard?
4 WIN	If they match, the player wins!

CARD VALUES		
ACE = 1	2-9 = FACE VALUE	10 / J / Q / K = 0
